If you choose MEDIA, the marketing team at Cabaret Fringe will review your profile and be in touch. This profile type is reserved for selected media personnel who will be reviewing shows. If you have any questions please email info@cabaretfringefestival.com

	Often media reviewers will reach out to us expressing their interest in your shows. We would love to help promote your show in this way and will use this system to facilitate complimentary ticket issuance on your behalf. If you select yes, then we will invite reviewers to set up a Reviewer type profile with the festival. They will then be able to view a program of only the shows accepting reviewers, where they can make their selections and secure their complimentary tickets.
	Eg. John Smith (reviewer) can book 2x tickets to see "Dancing Queen" and 2x tickets to "King of Dance", but cannot book for multiple sessions of the same event (without specific approval). You can set the maximum number of complimentary tickets available for reviewers for your event (across all sessions) below.
	If you opt for No below, or wish to offer additional complimentary tickets to reviewers or media that you secure yourself, you can use discount codes to issue complimentary tickets.
	Are you happy to welcome reviewers to your event this festival?* Yes No

They act for the festival as a whole, not for any individual act or show, though each show should get ample coverage and attention. To assist Rebel Yell, please provide us as many graphics, videos and approved copy as you can. We need three core images from you in order to get your show up online! Less is more, so don't over complicate it. Don't include text in your image. All the important info, like the title and location will be right next to the picture anyway. Try not to include too many people in the image. Invest in high quality images that can be used across your campaign. Vaccination Requirement

At this time, Cabaret Fringe Inc. is NOT mandating that venues accept only fully vaccinated patrons, artists etc. However we do strongly encourage this, for reasons not limited to this likely increasing the capacity and potential sales for shows.

IF you (as the venue/shows) choose to require proof of double vaccination or government approved exemption in order to attend, then we will note this online for patrons.

IF not, we will also make this clear online to patrons.

Cabaret Fringe Inc., as well as the events and venues have the right to introduce a mandate for proof of double vaccination or valid exemption as a condition of entry at any time. Patrons must check the event and venue listing to ensure they comply with requirements at the time of attendance.

O We require patrons to provide evidence of being fully vaccinated.

O We DO NOT require patrons to provide evidence of being fully vaccinated.
